

Patient Services Agreement

Between HealthProHub Clinics Ltd and the Patient named below

1. Services

The Provider agrees to deliver the outpatient services described in Schedule A to the Patient, at the times and locations agreed between the parties. Services are delivered by registered practitioners holding current professional indemnity cover.

Any change to the scope of services requires the written agreement of both parties.

2. Fees and payment

Fees are set out in Schedule B and are payable within thirty (30) days of the invoice date. Where a third-party insurer is responsible for settlement, the Patient remains liable for any amount the insurer declines to cover.

The Provider will give sixty (60) days written notice before any change to the fee schedule.

3. Consent to treatment

The Patient confirms that the nature, benefits and material risks of the proposed treatment have been explained, and that they have had the opportunity to ask questions.

Consent may be withdrawn at any time, in writing, without affecting the Patient's right to continued care.

4. Confidentiality and records

The Provider holds clinical records in accordance with applicable data-protection law and its published retention schedule. Records are disclosed only where the Patient consents, or where disclosure is required by law or necessary to prevent serious harm.

The Patient may request a copy of their records at any time.

5. Cancellation

Either party may cancel a scheduled appointment by giving at least twenty-four (24) hours notice. Appointments cancelled with less notice, or missed without notice, may be charged at the rate set out in Schedule B.

6. Term and termination

This agreement takes effect on the date of the last signature below and continues until terminated by either party on thirty (30) (days) written notice.

Termination does not affect any right or obligation accrued before the termination date.
